It is considered a privilege to park on school grounds. As a licensed driver, I understand the many responsibilities I must accept when driving automobiles. I have fully read and understand the Jarrell High School 2024-2025 Parking Regulations pertaining to student drivers at Jarrell High School. I understand that I will forfeit my privilege to drive on campus if I fail to abide by all school and state policies. I further understand that Jarrell High School assumes no liability for any accidents involving privately owned vehicles on school grounds. I take full responsibility for the security of my vehicle, and I will make certain that it is locked and that my keys are not given to another student. I understand that vehicles parked on school property are under the jurisdiction of the school and are subject to search if reasonable cause exists to do so.
